Reports To: Assigned Supervisor & Assigned Clinical Supervisor	Title: Family Violence Program Coordinator
Type of position: <input checked="" type="checkbox"/> Full-time <input type="checkbox"/> Part-time	Hours 40 / week depending on need of service Minimum weekly caseload average of 28-35 sessions per week <input type="checkbox"/> Exempt Position <input checked="" type="checkbox"/> Non-Exempt Position

WomanHaven a Center for Family Solutions is a culturally and linguistically competent multi-service nonprofit organization dedicated to providing services to those affected by domestic violence, elder abuse, economic deprivation and homelessness regardless of gender identity or sexual orientation. Our emphasis is on client-centered, trauma informed care. We work with diverse partners to promote individual, family and community transformation in Imperial County.

Summary: Under supervision, conducts outpatient clinical assessments to evaluate the psychological, social, occupational, educational and domestic needs of assigned clients and provide treatment intervention. The primary responsibility of this position is to provide counseling, emotional support and assistance to assist clients in overcoming interpersonal abuse, adjusting to life or making changes.

ESSENTIAL FUNCTIONS:

The following statements are intended to describe the general nature and level of work to be performed and are not intended to be an exhaustive list of all the responsibilities of the position.

- Conducts clinical interviews and assessments; gathers information for diagnostic and treatment planning purposes.
- Provides interventions using evidence-based techniques and methodologies approved by the department, including trauma informed care framework.
- Provides individual, group therapy and collateral interventions; provides an atmosphere of trust and safety.
- Provides crisis interventions to clients who are in apparent emotional distress; advises other treatment staff on methods to utilize to alleviate client symptoms in crisis situations.
- Provides referrals to community agencies and providers for support or additional services.
- Develops treatment plans for clients to alleviate current areas of impairment; assures that treatment plans have problem solving objectives; serves as service coordinator as assigned.
- Uses a variety of diagnostic and rating tools to evaluate client progress, effectiveness of interventions, and the need for additional or revised treatment.
- Documents daily interventions provided for clients; provides information regarding sessions and contacts using the appropriate reporting forms.
