November 2023,

Dear Community Member,

As the holiday season approaches, the spirit of giving and sharing brings warmth to the hearts of many, especially to those in need. At WomanHaven, A Center for Family Solutions, we are committed to supporting victims of domestic abuse and their children, striving to turn the tide from adversity to hope. This Christmas, we are reaching out to compassionate individuals like you to partake in our Adopt a Family program, a campaign designed to bring joy and comfort to these resilient families during a time when they need it most.

The Adopt a Family program is an initiative that allows you to directly contribute to the well-being of a family that has experienced hardship due to domestic abuse. By adopting a family, you have the unique opportunity to fulfill a holiday wish list, providing gifts and essentials that will not only brighten their festive season but also extend a message of solidarity and support.

We understand that every person's capacity to give is different, and thus, we offer many ways to participate. Your generosity can make a considerable difference in the lives of those who have endured much. Whether it is through adopting a family, contributing a gift card, or a monetary donation, your support is invaluable.

Enclosed with this letter is an application form with detailed information on how to participate in the "Adopt a Family" program. We encourage you to fill out the form and return it to us at your earliest convenience, as this will help us coordinate the distribution of resources in a timely manner.

Together, we can ensure that this Christmas is filled with hope and cheer for families and individuals rebuilding their lives. Thank you for your consideration and for your continued support of WomanHaven . If you have any questions or need more information, please contact us at 760-604-3048.

Wishing you a season of joy and a heart full of compassion.

Warmest regards,

Norma Galvan
